ANNUAL MASONIC BALL GAME IS SCHEDULED FOR TOMORROW Shrine and Grotto Teams Are to Battle in Big Contest for Charity—Officials Announced for Track Meet.

BY H. C. BYRD.

The annual Masonic ball game is to be played tomorrow at American League Park at 3:30 o'clock. This is the third contest of this character which has taken place, the first having been played between Harmony Lodge and a nine picked from all the other lodges, and the second between a team picked from the lodges making their homes in the temple and those having their own separate meeting places. This time the contest will find the Shrine and Grotto the contending organizations.

An automobile parade will start at 1:30 o'clock at the Masonic Temple and proceed over the following route: North on 13th street to K, west on K

Tenney, Malcolm P. Junkin, Walter C. Rathbone, field judges; C. Earl Smith, clerk of the course; R. Clifford, R. W. Wannan, assistant clerks of the course; W. B. Young, starter; D. J. Donovan, Harry E. May, G. M. Maina, D. McCleary, inspectors; C. W. Wannan, scorer; C. T. MacDonald, custodian of prizes; Johnson G. Pettit, C. Donaldson, William Frye, Willard Hart, Hawley A. Smith, in charge of elementary schools; C. E. Mindes, announcer.

Prof. Beckett thinks the affair will be much more successful than at any time since it has become a feature of the Independence day celebration. Says Prof. Beckett:

"There is no doubt, unless some entirely unlooked-for situation arises, that the track and field games and the swimming meet will be the best we have ever held. According to the present outlook the entries in all the contests will be above the ordinary in number and the capabilities of the athletes in actual competition. The track and field events will begin at 8 o'clock and the swimming competition at 11. We are getting fine support from all those interested in athletic games, and I cannot help but think that the general outlook is very good."

It was decided at a late hour this morning that the high school ball game between Eastern and Western, postponed yesterday because of the unfavorable weather conditions and wet fields. No definite arrangements have been made as to when the contest will take place.

MIKE BRADY IN THE LEAD.

Oakley Pro Heads Field in Bay State Open Golf Tourney.

WEST NEWTON, Mass., June 16.—More than sixty golfers competed in the first day's play at the Brae Burn Club yesterday for the Massachusetts open golf championship. The course was in poor condition after the recent rains, but the standard of play was surprisingly good.

Mike Brady of Oakley had the lowest score, his total being 154 on two rounds of 77 each. Gilbert Nichols of Great Neck was runner-up to Brady with 155. His first round was 80, but in the afternoon his card showed 74, which was the best eighteen-hole score of the day. Brady and Nichols were the only players finishing under 160. The present title holder, Walter Hagen of Rochester, was eighth on the list with 163, at which he was tied with J. M. Barnes of Whitmarsh.

Paul Tewksbury, the local Woodland player, ranked eleventh, and was highest among the amateurs, while the long-hitting J. P. Guilford of the same club was far down the list, having a 95 round in the morning, but doing much better in the afternoon for a 79.

His first round was 80, but in the afternoon his card showed 74, which was the best eighteen-hole score of the day.

The French champion had the black side of a three knights' opening and gave it a novel treatment by advancing his king's knight's pawn on the third move. Complications ensued soon after and Marshall had to resign.

Needling only half a point to clinch the match, Marshall elected to forfeit a draw by perpetual check and play was abandoned after forty-one moves had been recorded.

CORNELL BACKS ITS CREW.

Syracuse Sends \$2,000 to Ithaca, Which Is Covered at Even Money.

ITHACA, N. Y., June 16.—Word from Poughkeepsie that the Cornell varsity eight is in fine shape for the big race tomorrow, and that Coach Courtney himself is satisfied with the crew's progress, heartened the followers of the Red and White and \$2,000 Syracuse money sent here a few days ago has been covered. It was learned last night.

Syracuse backers would not give odds, so the money went up at even terms. A large delegation of Cornellians will leave here tonight for the Hudson, prepared to back their crews liberally.

Mrs. Jennie D. Norris, widow of a civil war veteran, handed herself at a public sale of her late husband's property, a farm, Texas, Md., by making a rope of some dry goods and tying it to her head. She was sixty-three and had no children.

TWO GERMAN CRUISERS ARE REPORTED SUNK

Armored Trawlers and Many Merchant Ships Lost in Recent Baltic Fight.

STOCKHOLM, June 16.—In the naval engagement off Havrine last Tuesday Russian torpedo boat destroyers are believed to have sunk the German auxiliary cruisers Hermann and Konig von Sachsen, two armored trawlers, and a number of merchant vessels laden with timber and ore, which the German warships were conveying. Only two of fourteen vessels under convoy, the Lavinia and Ingrid Horn, have been accounted for. They took refuge in Swedish ports. The crews of the sunken vessels are believed to have been saved, except sixty men from one of the auxiliary cruisers, who were drowned.

A large number of German sailors from the Konig von Sachsen were taken to the hospital at Norkoping, where some of them have died from their wounds. The survivors will be interned on the island of Gotland.

Surprised by Russians.

The German officers said that the German warships with their convoys were off Havrine, on the Baltic, south of Stockholm, when they were surprised by the Russians, who approached at high speed and gave the German craft a broadside and then disappeared with equal rapidity. The Germans had time to fire only one shot at the Russian steamer Nyavesterbotten, who saw a part of the fight, said the cannonade began at midnight.

"The first shots from the Russian destroyers were fired when they were only a hundred yards distant from the German," said the captain of the steamer Hermann, and the next instant a torpedo struck her. There was an explosion, and she foundered. A trawler saved her commander, but a majority of the crew were lost. Half of them were killed during the brief engagement, while others were drowned.

THIRTY-SIX RIFLE CLUBS ORGANIZED IN DISTRICT

Record From January 1 to May 31 Is Exceeded Only by New York State.

In the District of Columbia, thirty-six rifle clubs, affiliated with the National Rifle Association of America, have been organized between January 1 and May 31, this year. New York state, with thirty-eight similar organizations to its credit, is the only state or territory to exceed the showing of this community. Pennsylvania is third with thirty new organizations.

The national board for promotion of rifle practice of the War Department has issued a statement of the remarkable growth of the National Rifle Association of America during the five months of this year. Since the first of the year there have been organized 443 civilian rifle clubs, 7 college rifle clubs, 2 preparatory and military school rifle clubs and 31 high school rifle clubs. All have been supplied with arms and ammunition of the Krag pattern in sufficient quantities to participate in rifle practice.

There are now qualified 1,032 civilian, 71 college, 4 preparatory and military school and 118 high school rifle clubs, making up the units of the national organization at this time.

Only three states have failed to respond to this wave of enthusiasm in rifle practice: they are Alabama, Louisiana and South Carolina. Virginia has only one boys' club. Maryland has two civilian clubs, one high school club and one boys' club. All thirty-six organizations in this city are civilian clubs.
